

Hello all!

Well here it is the complete listing of Entertainment for 2010. With this eclectic of a lineup, there should be something there for everyone! Be sure to add the Expo site on your personal websites; all 252 Vendors are listed as well as the Entertainment lineup and general admission information. We're shooting for 15,000 spectators this year, so help us get the word out!

MAIN STAGE:

10:00-10:30 AWARE AGILITY ALLSTARS ~ presented by Nicole Belmore, 'Take the Lead Dog Training', featuring dogs from beginner to advanced. These dog and handler teams will demonstrate the correct and safe approach in navigating a canine agility course, while still striving for speed and accuracy!

10:30-10:45 FREESTYLE FRISBEE ~ "Solar" and handler, Andrew Han of Pawsitive Vybe Milwaukee, will demonstrate high flying action and acrobatic moves that are involved in freestyle Frisbee! Watch closely, cheer loudly, and enjoy greatly! Afternoon Demo also featured.

10:45-11:15 MILITARY DOGS ~ Historical presentation by War Dogs and Save-A-Vet, The Forgotten Soldier. Featuring dogs currently in service and those retired. Represented will be Service personnel, human and canine, from the Vietnam War to the present.

11:15-12:15 ANIMAL IDOL ~ Competition featuring our 5 semi finalists. Presented individually, each will do their best to win the most votes. Celebrity Judges provide critiques, selecting Animal Idol 2010!

12:1-1:15 PARADE OF RESCUES ~ Featuring adoptable pets from area shelters and rescues. Each pet will receive a few moments to touch your hearts in the hopes that this walk will lead to their forever home.

1:15-1:30 --break for setup --

1:30-2:00 ICAT/FELINE AGILITY ~ "Linus" and handler, Vivian Frawley will demonstrate how this sport is not just for dogs anymore! You've seen dogs go over jumps & navigate tunnels, ramps and weave poles. Now you'll see how Cats handle a modified agility course with precision and their own 'feline style'!

2:00-2:15 --break for setup --

2:15-3:00 EQUINE DEMO ~ JC's Just Looking Ranch present "Eclipse" & "Tnk". Under the expert guidance of Carol Takacs, this delightful duo will demonstrate some fun and unique tricks. To prove they aren't just 'horsing' around, equine behavior and interaction will also be discussed. Stay seated for "Tinks" grand finale, where he attempts to set the mood for Super Bowl Sunday!

3:00-3:15 -- break for cleanup --

3:15-3:45 POLICE DOG DEMO ~ presented by the Greenfield Police Department, featuring K9 "Raider" and his partner, Officer Brian Wallender. Raider is trained to track and locate missing persons, search for suspects and locate evidence. He is also trained to protect Officers and search for illegal drugs. We all better behave around these two!

3:45-4:00 VEST-A-DOG ~ presentation to an Officer and K 9 partner. This Vest, which is bullet and stab proof is for the K 9 partner. Equally providing them with the protection they so rightfully deserve.

4:00-4:30 LURE COURSING ~ presented by Lauri Stromberg, Lure Coursing Fanatics. Now here's a sport in which every breed of dog can excel! This demo features dogs chasing a 'lure' on a modified indoorcourse. No matter how many laps they go, these dogs never seem to tire of the 'thrill of the chase'!

4:30-5:15      MAGIC'S LEGACY HERDING ~ 'Ewe' won't believe your eyes! Shannon Wolfe expertly works with the dogs to guide these 'wayward' critters. You'll be amazed how these phenomenal dogs will keep the ducks, geese and sheep in line through a variety of obstacles!

5:15-5:45      CARTING, WEIGHT PULL, SKIJORING ~ Let your dog pull his *own* weight for a change! Lauri Stromberg of Lure Coursing Fanatics presents a real 'paws-on' demo. A variety of equipment options and training tips for each will be provided to help in teaching your dog how to 'pull' safely and correctly.

5:45-6:00      FREESTYLE FRISBEE ~ "Solar" and Andrew, Pawsitive Vybe Milwaukee, provide an encore performance to help close out Expo 2010!

#### SIDE STAGE:

10:00-10:30      ROMP ~ Residents for Off Leash Milwaukee Dog Parks. Robin Barry will provide an informative presentation featuring new locations, the application process and the proper 'pet-iquette' required to attend the dog park in your neighborhood.

10:30-11:00      YHELP ~ Sponsor-A-Scholar program through the YMCA. Proper pet care and handling, how to help abolish pet abuse and cruelty, and working with wildlife are just a few of the things these phenomenal kids learn, and hope to pass along to others, through a mentorship program.

11:00-11:30      CLICKER TRAINING WITH YOUR CAT ~ Vivian Frawley and "Dakota", a 10 year old Maine Coon, will prove that you *can* teach an old Cat new tricks! Training elements or tricks can be taught, or unwanted behaviors can be eliminated through the positive methods of Clicker training.

11:30-12:00      DALE KRESSIN, DVM, DAVDC ~ 'My Pet's Dentist'. Featuring an educational presentation on Periodontal Disease in our pets. Why it matters and what you can do about it. Understanding the importance of oral hygiene and how it is a key factor in your pets overall good health.

12:00-12:30      KID & PET SAFETY ~ Trish Harm of Aurora hospital will provide invaluable information on the best and safest approach when meeting unfamiliar pets. By listening and being observant, we can learn what the dogs are trying to tell us.

12:30-1:00      -- break --

1:00-1:40      MARLA LICHTENBERGER, DVM, DACVECC ~ Milwaukee Emergency Center for Animals (MECA). Featured presentations include: Exotic Pet care & handling of Snakes, Birds, Guinea Pigs and Rabbits. Followed by a discussion on First Aid for all pets.

1:40-2:00      ANDREW LINKLATER, DVM, DACVECC ~ Animal Emergency Center, (AEC). Presentation on Common Household Dangers. Learn how items we use in our daily lives may be fatal to our pets. See if you can spot some of the hidden dangers lurking around your house.

2:00-2:30      PAWS WITH A CAUSE ~ Service dog presentation by Cindy Dasbach and "Crash". Paws With a Cause is a national non-profit organization that serves people with disabilities through customtrained Assistance dogs.

2:30-3:00      SANDRA MILLER, DVM ~ Creature Comforts House Call Veterinary Services. "Holistic Healthcare for Pets". What is Holistic medicine? How can it benefit my pet? Discussion on Healthcare options including; nutrition, spinal manipulation, massage and herbal supplements.

3:00-3:30 RACHEL REIMAN, DVM, DACVIM ~ Animal Emergency Center, (AEC). Oncology in our pets. Cancer - the very word strikes fear in our hearts. Learn prevention strategies, treatments and how proper nutrition can provide better quality of life.

3:30-4:00 D2CARE ~ Deaf Dog Connections, Advocacy, Resources and Education. Monica Kaskey no limitations to what these dogs can overcome with proper guidance and lots of patience.

4:00-4:30 ANDREW LINKLATER, DVM, DACVECC~ Animal Emergency Center, (AEC). CPR- When it's a matter of life or death. This invaluable presentation focuses on the techniques used in critical care-emergency rooms as well as those every pet owner should know.

4:30-5:00 FERRADISE . . .Ferrets in paradise! ~ Sue Holme will provide an educational & entertaining look at the 'ups and downs' of Ferret ownership. Advice on food, medical concerns and training may help you decide if one of these furry friends are right for your family!

5:00-5:30 K&R SMALL ANIMAL SANCTUARY ~ Kristen and Rebecca will provide a presentation on the Rehab & Rescue efforts that help Rabbits, Guinea Pigs and other small animals become valued companion animals. Tips on care, housing and training will be included.

5:30-6:00 CENTER FOR AVIAN REHAB ~ (CARE); presented by Lori Drew, CVT,CAS. NUTRITION IS EVERYTHING! We would like to EMPHASIZE the IMPORTANCE of EXCELLENT nutrition for birds, as they TOTALLY rely on us for that! Also, stressing Safety issues for birds-things people may not know or think about!
